Please indicate which project you would like to support, by ticking the relevant box. If you tick more than one box, your monthly donation will be split evenly between your choices.

☐ FILL THEIR PLATES

We feed every child who comes to our programmes, whether sponsored or not. Your donation will help to buy food.

☐ THE ENID PROJECT

The ENid Project provides help and support for children and adults with special needs in Guatemala.

☐ FOOD PARCELS

We provide food parcels for families in remote rural villages in Albania where we don't have feeding programmes. We are reaching out with the gospel in one hand and practical help in the other.

☐ WIN

Women In Need supports particularly vulnerable single mums, grannies and widows (and some men too!) in Guatemala. We call this project 'Adopt-A-Granny'.

☐ MEDICAL & DENTAL

We provide free basic medical and dental care to all the children attending our programmes. Your donation will help fund this.

☐ CHICKENS

Giving a laying hen is a practical way of helping a family in Guatemala. The eggs provide a valuable source of protein to an otherwise very basic diet.

☐ STARFISH FUND

This project funds extra medical needs (such as hearing aids and special medical appointments), and family emergency situations not covered by the basic care we provide.

☐ CHRISTMAS FUND

Every Christmas we organise a special celebration with gospel message, meal and a gift for every child and vulnerable adult attending our programmes, whether they are sponsored or not.
